Travel Compliance Letter for Nidra TOMAC Device

To whom it may concern,

The Noctrix Health Nidra Tonic Motor Activation (TOMAC) System is a prescription medical device authorized by the U.S Food and Drug Administration for sale in the United States.

This device meets the requirements of RTCA/DO-160, Section 21, Category M, and complies with Federal Aviation Administration (FAA) requirements, therefore does not interfere with the safe operation of a commercial aircraft.

The U.S. Department of Transportation (DOT) Final Rule, *Non-discrimination on the Basis of Disability in Air Travel* (Title 14 CFR Part 382), effective May 13, 2009, permits passengers to use assistive medical devices on board an aircraft, provided they meet safety, security, and hazardous materials rules.

Noctrix Health Product	Model Number
Nidra TOMAC System	NTX150
